

# The Tallest Man on Earth

---

*When The Bird Sees The Solid Ground* is a 5 part series from The Tallest Man on Earth. Each song is a new, original studio recording and will include the simultaneous release of an accompanying video directed by Kristian Matsson. Both the music and videos are an ongoing project that will be produced as the series progresses during the winter, spring and summer of 2018 in Sweden and the US, with Matsson splitting his time behind the microphone and the camera. Beginning March 9th a song and video will be released each month.

Solo shows in support of *When The Bird Sees The Solid Ground* will take place in select cities worldwide.
